Douglas,

I just want to let you know that I am still working on Docket 3-2013. Janie wants a response back for this one before February 12, 2013. **DPP**

Please keep in mind that Docket 3-2013 aquifer exemption request for the Madison Formation is the docket that we previously discussed with the WOGCC and Encana Oil and Gas a few months ago. Let me know if you should have any questions or concerns regarding this matter.
